Ten Pay Plan

Renewal Questionnaire

Annual Meeting Luncheon

Ten Pay Plan

One of the many benefits of being a policyholder of MTMIC is that your payments are due in 10 equal payments. You don't have to ante up a big down payment; you just send a check for 10% of the premium. Those of you who renewed on January 1 will not owe a payment for October and November.

If you have set up automatic schedules which generate checks automatically please remember to turn this feature off for the months you do not owe!

The MTMIC also offers the option of an AutoPay Plan. By signing up you are notified through email that the payment will be subtracted from your account on the day it is due (usually the tenth of the month) and you do not even have to think about cutting the check. This is, as our controller reminds me, a positive way of dealing with one less thing in your daily schedule. If you are interested in signing up for the plan, contact Chris.Doebler@MTMIC.com.

Renewal Questionnaire

Enclosed is our annual renewal questionnaire. Your responses are used to develop your renewal quote and to obtain the most favorable results from the reinsurance provider. **Yes, we really do need your information.**

PLEASE take the time to answer all of the questions. We provide a summary of your most current payroll used to determine your coverage; these numbers directly affect your premium so make sure they are good estimates.

It is extremely important that we have the best information available to provide you the best terms and conditions on your renewal policy. If you have any questions or need assistance, contact Megan.Brown@MTMIC.com, Glenda.Moyle@MTMIC.com or Gary.Wood@MTMIC.com.

Annual Meeting Luncheon

Included is an invitation to the annual meeting luncheon on October 16, 2008. We look forward to seeing you there.
